From the magical keyboard of Shooter, the king of interracial sex, comes THE CIRCLE.

The Circle is a story within a story within a story but all headed in the same direction. It is an interracial sex story with black men and willing white women.

The Circle is a well organized group of black hospital workers, from doctors to janitors and in between. They find and recruit married white female doctors, nurses, aids, and other hospital staff to be their whores.

At first it was just for their pleasure but when they realized there was a surplus of white pussy they began to sell it.

Several white couples are involved in this yarn. Two of the husbands got blind-sided when they discovered what their wives were doing at the hospital. Find out how or if they recovered from the shock.

Peg, a young white wife left on her own while hubby was working overseas found comfort in the arms of a Black Sudanese doctor until she was inducted into The Circle. Suddenly she was nearly swamped with black lovers and loved it.

It was Stan who couldn't get his head wrapped around what Sue, his wife, had done. It was Stan who started his own investigation into The Circle. Discover the end result of his investigation.

If black on white sex is your thing, you'll like this Shooter story. It's rank, it's raw and it's believable.
