Medieval Scottish Romance

Meet three generations of Highland Brides and the Warriors whose hearts they captured.

To Bewitch a Highlander, Book 1

She will protect her identity with her very life if necessary. Who will protect her from herself?

Shoney's lightning speed with a bow captures Ronan by surprise, and their chance meeting ends with him lying unconscious at the bottom of a ravine.

When he awakens, he cannot rid his mind of her startling beauty, her valor, or the secret fear he glimpsed in her steel eyes. He vows to find her, but as the mysteries of her identity unfold, his courage and heart are tested as never before.

Highland Thunder, Book 2

A STORM IS COMING...

Although she faces tragic loss, Brenna will never succumb to grief or fear, nor will she surrender to the one man she despises--the very man who now has the power to control her destiny. Like the storms that rage unchecked over the moors, her fury is about to be unleashed.

A HIDDEN LOVE...

He does not look at her or speak to her, and most importantly, he does not touch her. These are the rules Duncan set for himself long ago to ensure his affection for his best friend's wife remained undetected. But under the weight of a land besieged by war, the walls he erected to shield his heart crumble.

If he can earn her trust, the one woman he has always loved may at last be his. But first he must save what he cherishes most from a nightmare of dark secrets.

To Love a Warrior, Book 3

Destinies unfold. Secrets are revealed. The Isle of Mull will be forever changed.

Half Highlander, half Viking, Garik MacKinnon was not born on the Scottish Isle of Mull, but fostered there in his youth. Now, he leaves behind his home, once more bound for Mull, to join the MacKinnon warriors as they answer Robert the Bruce's call to arms. He is ready for battle, eager to fight for Scotland's freedom. What he is not prepared for is his encounter with Nellore, a shield maiden from Mull, whose allure defies all reason.

Nellore has the strength and skill of a warrior but the heart of a woman. When the men are called away to war Nellore must aid those left behind to safeguard their village against attacks from the MacLeans--a feuding clan to the south. She understands her duty to her clan. She is ready to take up arms against the enemy if need be. What she is not ready for is the ache that fills her heart when war pulls Garik from her

side.

Desire ignites and battles are waged as both Nellore and Garik learn what it means to love a warrior.
