The Love Wars L. Alison Heller

Fast-paced and laugh-out-loud funny, L. Alison Heller's beloved debut *The Love Wars* has been heralded as a perfect summer read. Readers will want to cheer on smart and witty lawyer Molly Grant as she juggles work ambitions with finding love. Chock full of heart, *The Love Wars* is impossible to put down.

"Every character in this warm, witty contemporary novel felt so refreshingly true to life."—Liane Moriarty, author of *The Husband's Secret*

Breaking up is hard to do. At least the first few times.

Even though Molly Grant has only a handful of relationships behind her, she's already been through more divorces than she can count.

At the premier Manhattan law firm where she's a matrimonial attorney, the hours are long, the bosses tyrannical, and the bonuses stratospheric. Her clients are rich, famous, and used to getting their way. Molly's job—and primary concern in life—is to work as hard as possible to make sure they do. Until she meets the client who changes everything....

Fern Walker is the desperate former wife of a ruthless media mogul. Her powerful ex is slowly pushing her out of her young children's lives, and she fears losing them forever. Molly—haunted by an incident from her own past—finds herself unable to walk away from Fern and sets out to help her. She just needs to do it without her bosses finding out.

Now, as complications both professional and personal stack up, Molly can only hope that her own wits, heart, and instincts are enough—both in and out of court.

From reader reviews:

Patricia Gross:

Inside other case, little persons like to read book The Love Wars. You can choose the best book if you'd prefer reading a book. So long as we know about how is important some sort of book The Love Wars. You can add know-how and of course you can around the world by just a book. Absolutely right, because from book you can understand everything! From your country till foreign or abroad you will find yourself known. About simple point until wonderful thing you are able to know that. In this era, we could open a book or maybe searching by internet device. It is called e-book. You can use it when you feel bored to go to the library. Let's learn.

Elliot Weber:

The book The Love Wars can give more knowledge and information about everything you want. Exactly why must we leave the best thing like a book The Love Wars? A few of you have a different opinion about book. But one aim in which book can give many facts for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or details that you take for that, you could give for each other; you may share all of these. Book The Love Wars has simple shape but the truth is know: it has great and large function for you. You can look the enormous world by open up and read a guide. So it is very wonderful.

Martha Bryant:

What do you concerning book? It is not important together with you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need that The Love Wars to read.

Robert Quinonez:

Information is provisions for those to get better life, information nowadays can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is within the former life are challenging be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take The Love Wars as the daily resource information.
