The wild before the storm Travis Wilde doesn't do love or commitment - but he'd never turn down a willing woman and a kingsized bed! Normally innocence like Jennie Cooper's would have the same effect as a cold shower, yet her determination and mouthwatering curves have him burning up all over! The clock is ticking and, forced to confront her life, Jennie is determined to cross some major things off her todo list. Some might be risky - like taking on the renowned Travis Wilde - but Jennie has nothing to lose except the one thing she thought was untouchable...her heart. 'Absolutely fantastic and enough passion to blow your mind away! Thank you Ms Marton!' - Ven, 40, Hastings
