Charlotte Bronte

The Professor Charlotte Bronte

Charlotte Bronte (1816-1855) was an English novelist and poet who didn't live long enough to give the world all she could have, but she is best known as being one of the three critically acclaimed Bronte sisters, along with Anne and Emily, and all three of them wrote novels that are now considered classics of English and Western literature.

Of all the sisters' works, it is Emily's *Wuthering Heights* that has aged the best over time, continuing to retain its place as a classic of English literature. Anne's *Agnes Grey* was written as a Volume III to be packaged with *Wuthering Heights* and was finished within a year of Emily's novel. **But it was Charlotte who survived the other two's illnesses in 1848-1849, giving her nearly another decade to produce more *Jane Eyre* and other novels, including *The Professor* and *Emma*.**

***The Professor* was the first novel written by Charlotte, and at the time it was rejected by many publishing houses, until it was finally published posthumously in 1857.** The book is the story of a young man, William Crimsworth, and is a first-person narrative from his perspective. It describes his maturation, his loves and his eventual career as a professor at an all-girl's school.

From reader reviews:

Shawn Hunter:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a walk, shopping, or went to typically the Mall. How about open or read a book eligible The Professor? Maybe it is to get best activity for you. You understand beside you can spend your time using your favorite's book, you can better than before. Do you agree with it is opinion or you have some other opinion?

Raymond Albanese:

As people who live in the actual modest era should be update about what going on or details even knowledge to make these keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This The Professor is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Fern Gooding:

This The Professor is great reserve for you because the content that is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can say no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having The Professor in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

Anthony Martin:

Do you like reading a publication? Confuse to looking for your selected book? Or your book was rare? Why so many problem for the book? But any people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and The Professor or others sources were given expertise for you. After you know how the truly amazing a book, you feel want to read more and more. Science publication was created for teacher as well as students especially. Those publications are helping them to increase their knowledge. In other case, beside science guide, any other book likes The Professor to make your spare time much more colorful. Many types of book like this.
