The Times Codeword

The Times Mind Games

The Times Codeword The Times Mind Games

An utterly addictive puzzle, Codeword is an enormously popular feature of Times2.

This cracker of a puzzle is the perfect alternative to knowledge-based crosswords (you either know it or you don't, right?) and number-crunching Su Dokus.

In this compelling collection of 150 brand-new Codewords, which for the first time ever are ranked in increasing levels of difficulty, you can really wrestle with your word power and test your logic to the max.

The concept is simple. Each number represents a letter, so, starting with the solved letters, use your logic and vocabulary to reveal more letters, form words, and then crack the code!

From reader reviews:

Crystal McMullen:

Do you one among people who can't read satisfying if the sentence chained from the straightway, hold on guys that aren't like that. This The Times Codeword book is readable by you who hate those straight word style. You will find the details here are arrange for enjoyable studying experience without leaving also decrease the knowledge that want to give to you. The writer of The Times Codeword content conveys objective easily to understand by most people. The printed and e-book are not different in the content material but it just different by means of it. So , do you still thinking The Times Codeword is not loveable to be your top collection reading book?

Rodney Sierra:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider any time those information which is inside former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Times Codeword as the daily resource information.

John Harris:

This The Times Codeword is great reserve for you because the content that is full of information for you who else always deal with world and have to make decision every minute. This particular book reveal it facts accurately using great coordinate word or we can state no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with splendid delivering sentences. Having The Times Codeword in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no guide that offer you world in ten or fifteen small right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt that?

Kristen Clifford:

You may spend your free time to learn this book this guide. This The Times Codeword is simple to develop you can read it in the park, in the beach, train as well as soon. If you did not possess much space to bring often the printed book, you can buy the e-book. It is make you much easier to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.
