Wishin' and Hopin': A Christmas Story (Hardcover) Wally Lamb

Wishin and Hopin: A Christmas Story is a fictional novel set in 1964. LBJ and Lady Bird are in the White House, Meet the Beatles is on everyone's turntable, and 10-yr old Felix Funicello (distant cousin of the iconic Annette Funicello!) is doing his best to navigate 5th grade-easier said than done when scary movies still give you nightmares and you bear a striking resemblance to a certain adorable cartoon boy. But there are several things young Felix can depend on: the birds and bees are puzzling, television is magical, and this is one Christmas he's never going to forget.
